

# Language, Literature

## & Arts with the 4ème

- The school year started with our study of Family Life, by Akhil Sharma.
- The novel is about Ajay and his family who decide to move from India to America, and it is quite the adventure!

We learned what coming-of-age novels were and how they work by looking at Ajay's journey.

Each student represented the journey by creating a map or a diagram, which they presented to the class.
